

On this way you come to the hotel Brudermühle

From A70 (Schweinfurt/Bayreuth) **green way :**

- Motorway exit Bamberg/Zentrum

After the exit you drive toward Bamberg, until you come to a large cross way with a green complex of buildings with the signposting "Bowling Center/Mainfranken Hotel". There you go right (if coming from A70) or straightforward (if coming from A73) by a railway under pass and over two bridges (Memmeldorfer Straße, Regensburger Ring, Europabrücke, Friedensbrücke).

Then make a left turn to the Sandstraße and drive on the main road passing the Elizabeth church and the penitentiary until you must turn to one's right to the Schranne after some curves where you already find us on the left side (Schweinfurter Straße, Untere/Obere Sandstraße, Schranne).

The Schranne is at the left Regnitzufer between the **old city hall** and the Dom, close of the **tourist information**. From the station with the taxi about 10 minutes, to foot about 30 minutes

From A73/B173 (Nürnberg/Coburg) / from A3/B505 (Würzburg) **red way :**

- Motorway exit Bamberg/Ost

After the exit you drive toward Zentrum and always remain on the right of way road (about 4.5 km). You come over the Bahnhofsbrücke (Pfisterberg), the large crossing Nürnberger road and the Marienbrücke (Rhein-Main-Donau-Kanal) to the Schönleinsplatz (Reiterstandbild). There you turn left, remain again about one km on the right of way road (winding) and reach our restaurant.
